

BugDorm-6M610 Insect Cage [BD6M610]

MegaView Science Co., Ltd.

<https://shop.bugdorm.com> · <https://megaview.com.tw>

Package Contents

- x1 Fabric Cage Body
- x12 Rods
- x8 Three-way Joints

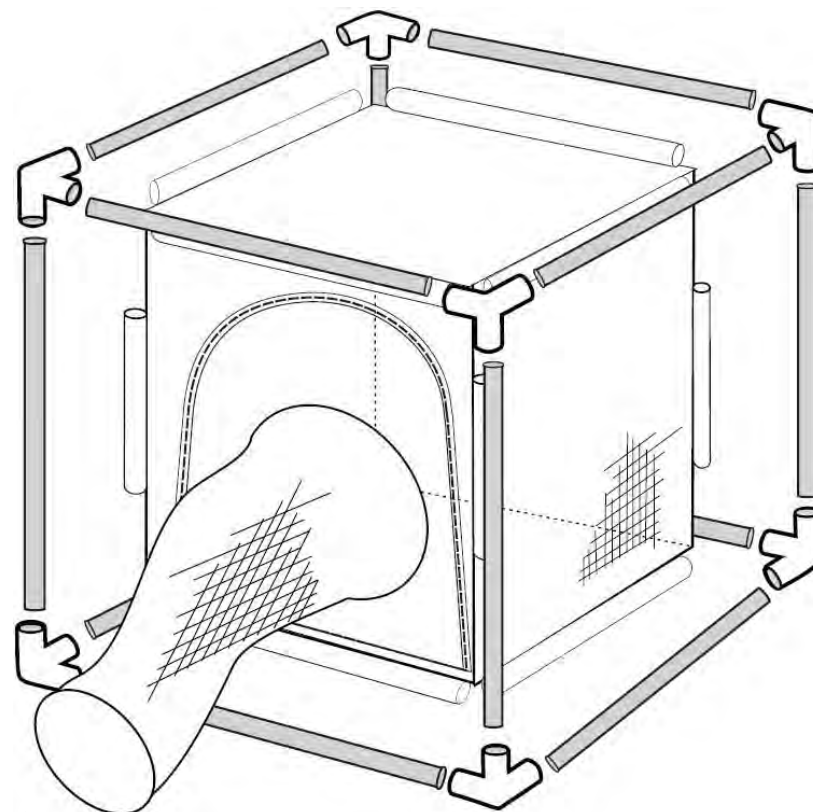

Assembly

1. Thread one rod into each of the 12 sleeves of the cage.
2. Connect rods with joints.

Caution

- * Operating Temperature: -10 to 60°C
- * The soft plastic floor is not waterproof.
- * Cage fabric is not UV treated. Avoid long-term exposure to direct sunlight.

CLEANING **HAND WASH:** Submerge and soak the cage for 20-30 minutes in the mix of detergent and water, agitate the cage gently, and then rinse the cage to remove the detergent. **MACHINE WASH:** Use the side-loading laundry machine set on a washing cycle of low agitation and low-speed spin. **CAUTION:** Wash cage body only. Wash at room temperature. Use laundry bag when machine wash. Recommend applying neutral detergents. Apply bleach or stain remover with care, as those chemicals weaken the cage fabric. Dry the cage in the shade.
