

Trap Collection Head with Jar Top [BT0002]

MegaView Science Co., Ltd.

<https://shop.bugdorm.com> • <https://megaview.com.tw>

- ① Top Collection Jar [BT0002-10]
- ② Wire Ventilation Grid [BT0002-9]
- ③ Fastening Cap for ② [BT0002-4]
- ④ Stopper Cap for ③ [BT0002-5]
- ⑤ Bottle Coupling Ring [BT0002-2]
- ⑥ Inverted Y-Pipes [BT0002-1]
- ⑦ Funnel Mounting Ring [BT0002-8]
- ⑧ Inverted Fabric Funnel (sewn to trap body)
- ⑨ Moth Excluder [BT0002-7] (16-cell grid, 1x1 cm per cell)
- ⑩ Zip Tie [BT5002-10]
- ⓑ Bottom Collection Jar [DP0076-500] (not included)

ASSEMBLY: This [BT0002](#) trap collection head has a collection jar on top. It usually arrives assembled and attached to the [Malaise Trap](#) and the like. If re-assembling the collection head is needed, follow the steps below to mount the head onto the trap body correctly.

1. Thread ⑧ through ⑦, black fabric circle first.
2. Flip ⑧ over ⑦ until the black circle entirely covers the flange of ⑦. There are two small rectangle cuts on the white fabric near the black circle. Expose both clips on ⑦ from the cuts.
3. To prevent large insects from entering pipes, push ⑨ into ⑦ & ⑧ in Step 2. This step is mainly for Malaise traps if required.
4. Align two ears on ⑦ with ears on oblique pipe's opening of ⑥, then push ⑦ & ⑧ in Step 2 into ⑥. Make sure clips on ⑦ fully snap into small rectangle holes near the pipe opening.
5. Zip-tie ⑦ in Step 4 to ⑥ by their ears to prevent ⑦ from popping off ⑥. This step is [mandatory for Malaise Traps](#).
6. Unplug ④ if it is preferable to allow for airflow in ⑥.
7. Screw ⓑ (not included) and ① into ⑥ to complete mounting the collection head to the trap body.

NOTE If ⓑ is missing from the trap or broken, we recommend substituting Nalgene™ 2105-0016 wide-mouth bottles (Ø53 mm closure size) for ⓑ instead of buying the replacement bottles from us. Please get in touch with Nalgene™ suppliers near you for availability.

All parts are UV tolerant except the zip ties. Each component can be purchased and replaced individually in case of loss or damage.
